# INTRODUCTION

Welcome to this self-study course on *Breaking Trail – A Study in the Book of Acts*. The idea of someone "breaking trail" is that he is going ahead where no one else has been. The book of Acts is about the beginning of the church and its early growth. It is the story of the church "breaking trail" – going to people and places where the Gospel had never been before.

The required textbook for the course is *The Ongoing Church* by G. I. Harlow.

There are twelve lessons in this study. Each lesson has five sections:

1. Chapters to Read. (From the book of Acts and the Textbook)
2. A Verse to Memorize.
3. Questions to Answer. (These are taken from the textbook "Now Test Yourself" sections.)
4. Projects to Do.
5. A Summary of the Chapters.

If possible, you should meet with your study leader after doing each lesson and go over the material you have covered.

There are two tests that should be taken. One test will come after you have completed lessons 1-6. The final test will cover lessons 7-12.

If you are taking this course for credit, the tests should be sent to the Native Bible Centre for correction. The cost for credit for any T.R.I.B.E. course is \$5.00.

We trust you will enjoy this study and that it will help you grow in your walk with the Lord. God bless you as you begin *Breaking Trail*.

## PROJECTS TO DO

### Project Number One – Background

Answer the following questions to find the background for the book of Acts.

You can find this material in a Bible Dictionary, Study Bible or Bible Handbook.

1. Who wrote the book of Acts? \_\_\_\_\_
2. Why was the book of Acts written? \_\_\_\_\_  
\_\_\_\_\_

3. When was the book of Acts written? \_\_\_\_\_

4. Why is this book called "Acts"? \_\_\_\_\_

\_\_\_\_\_

### **Project Number Two - Tongues**

In three chapters in the book of Acts, *speaking in tongues* is mentioned. Read these Bible passages carefully; one is Acts 2, another is Acts 10. (You can find the third passage where tongues are mentioned in Acts by using a concordance.) Find what the word "tongues" means. Use a concordance for this, also. (You may use other study helps as well.)

## Project Number Three - Telling Others

Your memory verse is Acts 1:8. This verse makes it clear that Christians have the responsibility of telling others the Good News about Jesus Christ. This is one of the responsibilities God has given you! You also have the Holy Spirit to help you in your witnessing to others about Christ. Spend time this week praying for someone you know that is not a Christian. Plan to talk to that person this week and tell them what God has done for you. Be prepared to show them how they also can become a Christian.

This week I am going to pray for (and talk to) ... \_\_\_\_\_

### A SUMMARY OF THE FIRST TWO CHAPTERS OF ACTS

**1** Jesus Christ was on earth for forty days after His resurrection. He taught His followers about the kingdom of God and prepared them for His ascension. After Christ returned to heaven, His disciples returned to Jerusalem. Here they met together for prayer. They also asked God to choose a man to take Judas's place.

**2** Ten days after Jesus went back to heaven the Holy Spirit came upon the apostles as Jesus had promised. This happened on the Jewish feast day, called Pentecost. Pentecost was celebrated fifty days after Passover. This coming of the Holy Spirit was the beginning of the church. Peter preached a sermon on this day, and many people were saved.

# PROJECTS TO DO

## Project Number One

### Reaching Out

Look back at your first memory verse (Acts 1:8). This verse gives an outline for the book of Acts. The outline could look like this:

#### THE CHURCH BREAKING TRAIL

- I. In Jerusalem (Acts 1-7)
- II. In Judea And Samaria (Acts 8-12)
- III. To The Ends Of The Earth (Acts 13-28)

Apply this verse to your own situation. Where is your "Jerusalem"?

What are some things your local fellowship could be doing to *BREAK TRAIL* with the Good News of Jesus Christ in your area?

**Begin a plan of sharing the Good News in your area!**

## Project Number Two

### First Sins

Notice the first recorded sins of the church in Acts 5:1-11. The love of recognition and money led Ananias and Sapphira to lie about their gift to the church. Notice also that giving a false impression to the apostles was the same as lying to the Holy Spirit.

Name some sins today that can lead to the downfall of a local fellowship.

---

---

---

Spend some time in prayer, asking God to help you see areas in your life where you need to be completely honest with Him (and yourself).

## A SUMMARY OF CHAPTERS THREE AND FOUR IN ACTS

# 3

One day on the way to the Temple, Peter and John healed a crippled beggar in the name of Jesus. This caused much excitement among the people. It gave the apostles another opportunity to tell the people about Jesus Christ.

# 4

The Jewish religious leaders were not happy with the teaching of Peter and John. They had the apostles arrested. At a meeting of the Jewish officials, Peter told them where he got the power to heal and to preach. The council tried to stop Peter and John from preaching anymore.

There was much sharing among the believers. The needy among them were taken care of by this sharing of belongings.

## **PROJECTS TO DO**

### **Project Number One**

#### **Signs And Wonders**

Read Acts 5:12 again. The apostles were performing many signs and wonders. No doubt you have heard of people trying to do the same thing during our time.

Read Hebrews 2:3,4; 2 Corinthians 12:11,12; Romans 15:18,19 and Ephesians 2:20. From these verses write a summary of **why** God gave these signs and wonders. Then write a paragraph stating your views on whether we should be looking for signs and wonders today. (Give verses to back up your view.)

B. Should we be looking for signs and wonders today? \_\_\_\_\_

## PROJECT NUMBER TWO

### Israel's History

Stephen gave a speech in Acts 7. Two main ideas can be found in his speech. One main idea is that **throughout Israel's history, God sent people to help them.** Israel rejected these deliverers. The second main idea is that **the Israelites thought God dwelt in a temple.**

Read through Acts 7 again. This chapter gives a good overview of the history of Israel. Write short sentences that give the history of Israel from these verses (7:2-53).

### **A SUMMARY OF CHAPTERS FIVE, SIX AND SEVEN IN ACTS**

**5** Ananias and Sapphira lied about a gift they gave to the church. God punished them for this sin. The apostles continued to perform many signs and wonders in the name of Jesus. A Pharisee named Gamaliel counseled the religious leaders not to kill Peter and the apostles. Instead, they beat them and released them. They told them to stop preaching. The apostles went on their way, continuing to teach about Jesus Christ

**6** The church continued to grow. The apostles saw the need for help in serving the church. Seven men were chosen to help in the giving out of food. Stephen was one of the men chosen. He was soon accused of speaking against the law and the temple. He was brought before the Sanhedrin for trial.

**7** Stephen defended himself before the Sanhedrin. He gave an overview of God's dealing with Israel up until the coming of Jesus. He accused them of murdering the Son of God. Upon hearing this, they led Stephen out of the city and stoned him.

## A SUMMARY OF THE CHAPTERS

# 13

The church in Antioch sent Paul, Barnabas and John Mark on a missionary journey. They went to the island of Cyprus and to Asia Minor. They preached to the Jews first and then to the Gentiles. The Jews, for the most part, rejected the Good News, while the Gentiles received it gladly. John Mark did not complete the trip. On this trip, the Jews persecuted Paul and Barnabas.

# 14

The missionary trip continues in this chapter. Paul and Barnabas preach the Gospel in Iconium, Lystra and Derbe. The Jews stir the people up against Paul and Barnabas. Paul is stoned and left for dead. He recovers and they continue to preach and teach. On the way back to Antioch they visit the people who have become Christians. Paul and Barnabas report to the church in Antioch everything that happened on their trip.

# 15

A church business meeting is held in Jerusalem. The main item of business was the question of Christians needing to keep certain Jewish laws in order to be saved. Led by the Holy Spirit, the men at the meeting agree that salvation is only through faith in Jesus Christ. Keeping the Old Testament Law was not necessary for salvation.

### *Visions*

In Acts 16:9 you read that Paul had a vision. This is not the first time “*visions*” have been mentioned in the book of Acts.

1. Using a Bible dictionary, what is the definition of the word, “*vision*”?

---

---

(A *vision* is God revealing some information to a person by allowing that person to see something.)

2. Which of the following is the reason God gave visions?

(Put a check mark by the correct answer.)

\_\_\_\_\_ **To build up the person who is receiving the vision.**

\_\_\_\_\_ **To give new information, or guidance, to the person(s).**

3. When God gave a vision to His people, to what person did He specifically give the vision? You can find this information by using a Bible dictionary. Look up *vision* to find what person received the visions. Check the correct answer.

\_\_\_\_\_ **A prophet or an apostle.**

\_\_\_\_\_ **A rabbi or member of the Sanhedrin.**

\_\_\_\_\_ **Just any ordinary citizen.**

Visions were a way God gave revelation to His people. He gave these revelations through the prophets and the apostles in the early church. Once the New Testament was complete (about 100 AD), the need for this kind of revelation ended. God's people now had the complete Word of God.

4. Do you think God is giving *visions* to His people today? Why, or why not? \_\_\_\_\_

## A SUMMARY OF CHAPTER SIXTEEN

# 16

Paul began his second missionary journey. Because of the disagreement he had with Barnabas, Paul went on this trip with Silas at Lystra, a young man named Timothy joined them on the trip. The Holy Spirit kept them from going into Asia with the Gospel. Through a vision Paul had at Troas, the Holy Spirit led the group to an area called Macedonia. In the city of Philippi they baptized Lydia and her family. Here they were put in prison for removing an evil spirit from a girl. God delivered them from prison. The jailer became a Christian. He and his family were baptized.

## PROJECT NUMBER THREE

### *Making an Impact*

Acts 17:6 says, “These men who have caused trouble all over the world have now come here...” Paul and his company did not try and look for trouble, but because they spoke about Christ boldly, trouble often came upon them. They were not afraid or ashamed to stand up for what was right.

Is your fellowship *making an impact* for Jesus Christ?

What are some things your fellowship could be doing to impact your town for Jesus Christ?

## A SUMMARY OF THE CHAPTERS

# 19

Paul taught in Ephesus for two years. Many people became Christians. The silversmiths who made idols started a riot against Paul. Their business was hurting because so many people had become Christians. A warning from the town clerk stopped the riot.

# 20

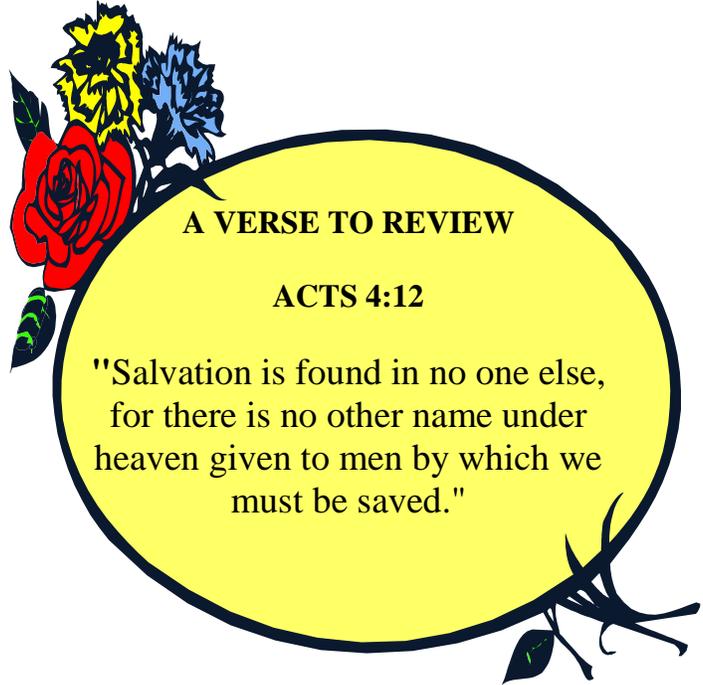

Paul went to Greece for a short visit. From there he began his trip to Jerusalem. At Troas, Paul (by God's power) brought a young man back to life. The young man had fallen out a window when he fell asleep during a long church service. On his way to Jerusalem, Paul stopped at Miletus and met with the elders of the church at Ephesus. They were sad to see Paul go on to Jerusalem and said they would never see him again.

## **PROJECTS TO DO**

### **PROJECT NUMBER ONE**

#### ***Reading On Missions***

Reading about the apostle Paul “*breaking trail*” with the Gospel is exciting. The book of Acts is filled with many adventurous stories. Besides these missionary stories in the Word of God, there are many books written today about missionary activity in recent history. For this project, find and read a good book on modern missions. (You can ask a missionary, pastor or Christian worker for ideas on what book to read. You may find these books at a Christian bookstore, church library, in a Christian friend's library or online as an ebook.)

What book are you going to read? \_\_\_\_\_

## A SUMMARY OF THE CHAPTERS

# 21

Paul visited Christians along the way as he made this final journey to Jerusalem. In Jerusalem a mob formed against Paul because they felt he was teaching against the Law of the Old Testament. Roman soldiers rescued Paul from the mob.

# 22

Paul told the Jewish mob the story of how he became a Christian. This made these Jews even more upset. The Roman commander ordered Paul to be taken to the barracks where he was to be questioned and whipped. Paul told them he was a Roman citizen so they did not whip him. He was held prisoner and brought before the Sanhedrin.

(This was the highest ruling council of the Jews.)

# 23

Paul spoke to the Jewish religious leaders. The Sadducees and the Pharisees got into an argument over the resurrection of the dead. The commander ordered Paul taken back to the barracks. While at the barracks, Paul's nephew warned Paul of a plot to take his life. Since Paul was a Roman citizen, the commander delivered him to Governor Felix in Caesarea. There Paul could be kept safe in Herod's palace.

me to be a Christian?'"

**QUESTIONS TO ANSWER**

- 1. The Jews accused Paul of what three things? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
- 2. Were these accusations true? What did Paul think? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

accusers in Caesarea? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

7. What was the name of the governor who took Felix' place? Where did he ask Paul to be tried?

\_\_\_\_\_

\_\_\_\_\_

8. What did Paul do so that he might get a fair trial? \_\_\_\_\_

\_\_\_\_\_

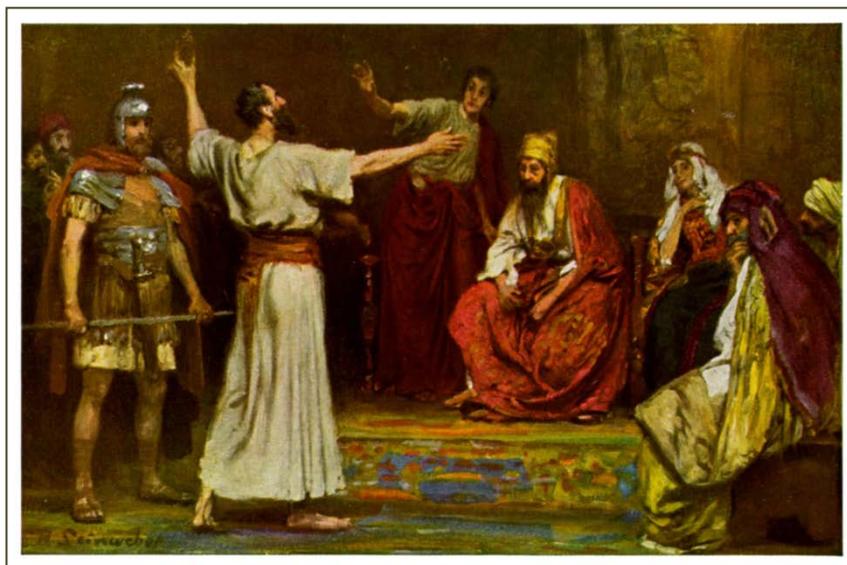

\_\_\_\_\_

9. Name two other important people to whom Paul was able to witness about Christ. What prophecy did this fulfill? \_\_\_\_\_

\_\_\_\_\_

10. What was the king's opinion of Paul after he heard his testimony? \_\_\_\_\_

\_\_\_\_\_

**Paul before Felix and King Agrippa**

**PROJECTS TO DO**  
**PROJECT NUMBER ONE**

*Almost*

King Agrippa said to Paul, “Do you think that in such a short time you can persuade me to be a Christian?” What are some of the reasons people give for not becoming Christians?

---

---

---

**PROJECT NUMBER TWO**

*Church Growth*

These three chapters are focusing on the life of Paul, the missionary. He had left behind the local fellowships of Christians he had helped start. Now he was gone. Think for a while about the fellowships that he started. They were now on their own. Their “missionary” was gone. People in the areas may have been watching these young churches to “see how long this was going to last.”

What **practical** advice would you give a young fellowship today in the following areas:

1. What are some ways the fellowship could reach out to the lost in its community? \_\_\_\_\_

---

---

---

2. What are some ways the church leaders could continue to train the people of the fellowship?

---

---

---

---

---

Get together and discuss what your fellowship **will do**  
to reach out in your area with the Gospel of Jesus Christ in the next  
six months.

## A SUMMARY OF THE CHAPTERS

# 24

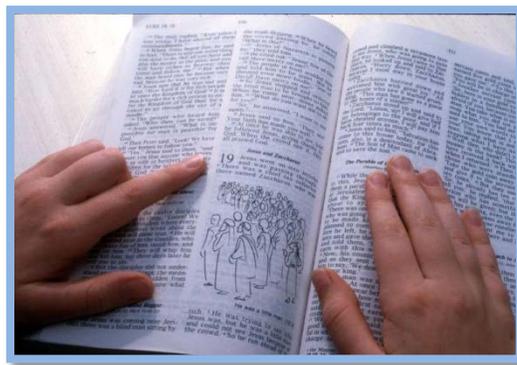

Paul defended himself before Felix, the Roman governor. He also used this opportunity to present the gospel. Felix was convicted, but did not make a decision. Felix was hoping Paul would offer him a bribe.

# 25

Paul appeared before the new governor, Festus. Festus suggested another trial before the Sanhedrin. Paul, instead, appealed his case to Caesar. Festus had no specific charge against Paul to send along to Caesar, so he asked King Agrippa to help come up with a charge against Paul.

# 26

Paul gave his testimony before King Agrippa. The king asked Paul if he thought in such a short time he could persuade the king to become a Christian. King Agrippa and Festus could not find Paul guilty of any wrongdoing. They agreed to send him to Caesar.

The book of Acts is about the acts of the Holy Spirit. It tells how the early church was *breaking trail* in many areas. Jesus Christ is still building His church. There is still much work to be done. There is still much reaching out to do. After this study in Acts, what do you feel are **your** responsibilities in God's continuing work of *Breaking Trail*?

Paul traveled as a prisoner to Rome by ship. During a severe storm, the ship was wrecked. God sent an angel to tell Paul that he and all the men would survive the shipwreck.
